

Community Snack

This year we will have a daily community snack. By allowing all children to have the same snack, the students will build a sense of community within the classroom. I will be creating a schedule where each family contributes a snack for the whole class approximately one day every month. This method is financially more affordable than providing a daily snack and allows all children to enjoy the same nutritious snack.

Please send a NUTRITIOUS snack for 22 students in individually wrapped packages or bags. When it is your child's "Birthday snack" day, they may bring in a special treat. In the past, students have brought in donuts, popsicles, cupcakes, etc. for their Birthday snack. As per Wake County policy, all food must be store bought. Please let me know if this isn't possible so we can ensure that all days are accounted for.

If you care to send in extra snacks we will store them in our "food pantry" to be used if someone forgets or is unable to send anything.

Suggestions for snack:

- Fresh fruit or vegetables
- Cheese and crackers
- Whole grain crackers
- Graham crackers
- Goldfish
- Popcorn
- Pretzels
- Frozen fruit juice bars
- Pretzels
- String cheese
- Anything else you can think of!

Thank you in advance for your support in building our class community!!
